Want to get involved?

We always need folks to help present or co-lead at meetings, as well as tell us what topics they'd like us to focus on. If you'd like to help out or want to share an idea, please contact one of the members of the leadership team.

What we've been up to...

April was a great month, with Montrose Center holding a Transgender Day of Visibility Rally on April 1st. Major advocacy and support groups throughout Houston were represented at the rally. George and Nexus spoke on behalf of TMAH.

Are you interested in marching in the Pride Parade on June 25th? Transgender Foundation of America will have an entry and we will be able to march. If you have not already signed up, want to participate, email transmasculinehouston@gmail.com to sign up.

We are finishing up the alternative logo selection, which will be used on t-shirts, buttons, and other printed material that isn't conducive to our usual multi-colored li'l guy logo. TMAH members will have an opportunity to vote on the final design later in the month.

May Calendar

May 5: Phalloplasty (6:30-8:30 pm in Room 111 of the Montrose Center) With so many advancements in medicine, phalloplasty outcomes are better than ever. While some of us have definite plans to go this route, others prefer less invasive means to achieve our desired appearance. Outspoken trans advocate Jevon Martin will be discussing his personal experience with this surgery, then we will have time for questions and answers.

May 19: TMAH Game Night (6:30-8:30 pm in Room 111 of the Montrose Center) Bring board games, snacks, and non-alcoholic drinks. Bring a friend/partner/sibling too!

May Social: To be announced soon. Please check our Facebook and Discord pages for more information.

Pledge to Take the U.S. Trans Survey

The U.S. Trans Survey (USTS) is the largest survey of trans people in the United States and documents the lives and experiences of trans people in the U.S. and U.S. territories. It is the main source of data about trans people for the media, educators, policymakers, and the general public, covering health, employment, income, the criminal justice system, etc. If you are trans (binary or nonbinary) and 16+ years old, we invite you to be part of the largest community-led survey! While the survey won't be available until mid-May, the pledge is available now. A pledge is a form to express interest in taking the U.S. Trans Survey when it goes live in mid-May. **Check out the pledge here and please share:** <https://www.ustranssurvey.org/>. Feel free to reach out to ustranssurvey@transequality.org directly if you have any questions, comments, or concerns.
