Want to get involved?

We always need folks to help present or co-lead at meetings, as well as tell us what topics they'd like us to focus on. If you'd like to help out or want to share an idea, please contact one of the members of the leadership team.

What we've been up to...

September was a busy month, with meetings, art shows, fundraisers, and hangouts. Brian Klosterboer, a civil rights attorney from the American Civil Liberties Union, led a discussion and answered questions at our Sept 1st meeting. An audio recording of the meeting is available upon request. Our social to Ripcord on the 23rd drew a great crowd. Thanks Myles! Jet Guadalupe Flores organized the Holy of Holies Art Show & Market, which featured artwork from transgender, intersex, and nonbinary artists. George represented TMAH at the Montrose Softball League association's Miss MSLA pageant. This year TMAH is one of their three beneficiaries. Proceeds from this fundraiser will go towards our top surgery fund.

September Calendar

October 6th General Meeting:

Monthly meeting: Dating, Long term relationships, and partners

Dating can be challenging for anybody, but as transgender people, we may need to decide when and how to share our identity with potential partners. For those of us who were already in an established relationship when we began our transition, we are faced with the unique challenge of how our journey will impact our partner's own identity. In this meeting, we will have opportunities to ask questions, share experiences, and help one another navigate their journey.

October 20th TMAH Game Night (6:30-8:30 pm in Room 111 of the Montrose Center) Bring board games, snacks, and non-alcoholic drinks. Bring a friend/partner/sibling too!

This Month's Spotlight: The Montrose Softball League Association

The Montrose Softball League Association (MSLA) is dedicated to the promotion of amateur softball for all persons, age 18 and older, regardless of race, creed, religion, sex, or national origin, with special emphasis placed on the participation of members of the LGBTQ community of Greater Houston. Our goal is to provide a sports outlet for individuals as a way to meet and interact with like-minded people in the spirit of friendly competition in an environment that promotes good health and fitness. The MSLA is divided into various divisions relative to a player's skill level and we also encourage the involvement of non-LGBT and non-playing members to support the many activities and beneficiaries the MSLA supports.

The MSLA raises funds for several groups throughout the year. This year they have selected Transmasculine Alliance Houston as one of their beneficiaries, with funds from their Miss MSLA pageant going towards our top surgery fund.

Volunteer Opportunity!

TMAH will have a table at the Gender Infinity Conference on November 5th and we need your help to set up and represent the group. Please email transmasculinehouston@gmail.com to sign up!
